### PROS OF CAR

- ✓ Soothing cabin experience
- ✓ Tech fest, extravagantly crafted
- ✓ Handles well despite the size

### Car Description

TBMW 7 Series is the brand's flagship sedan. It is a comfortable chauffeur-driven car which is great to drive as well. Its USPs include bold looks, business-class-like rear seating, and mind-blowing technology headlined by a cinema-style widescreen dropping down from the roof. But the new design is bound to divide opinions, and its length is also not ideal for crowded cities.
